The TenderCare Clinic 2nd Annual Community Health Fair will be held on April 7, 2018 from 9:00 AM to 12:00 PM at our downtown Greensboro location. The health fair is open to all community members to learn about living a healthy lifestyle. This year's theme is "Healthy You, Healthy World" in honor of World Health Day being April 7th. Come out to showcase your services to the community!

Vendor/participant spaces are **free**! Tables will be set up in the parking lot. You may bring educational materials, hand out business flyers, offer a health service, or have an interactive activity preferably related to health or wellness. If you have any additional needs for your booth beyond a table and 2 chairs, please indicate on the attached form so we can contact you for details. Bringing your own tent for shade is encouraged! If you require an *inside* table or room for screening or other purposes, please also indicate on the form.

Check-in and set-up will begin at **8:15 AM** on Saturday, April 7. Please report to the lobby of TenderCare Clinic to check in and be directed to your table. You may unload your car near the front of the building, but we ask that you park either on the sides of the building or across the street in the school parking lot. Please be able to have your booth set up by 9:00 AM. Further directions will be sent the week of the health fair.
