

Health Fair Participant Application
(part of Greene County Back to School Bash)
Saturday, July 20th 9:00 AM – 12:00 PM
at **Greene County High School**
1002 S Main St Greensboro

The 3rd annual TenderCare Clinic Community Health Fair will be held in conjunction with the Greene County Back to School Bash on Saturday, July 20, 2019 from 9:00 AM to 12:00 PM at GCHS.

The health fair is open to all community members to learn about living a healthy lifestyle. However, this year's health fair will have a decent amount of families and children, since we are combining the health fair with the Back to School Bash (B2SB). We expect that joining the two events will result in more traffic through the health fair.

The B2SB is an event the community holds at the end of every summer to pass out school supplies to the children in Greene County schools. Different organizations set up tables, and the students and parents walk around with backpacks and visit the tables to receive information and the supplies. **Families and students who are going to the Back to School Bash to receive school supplies will be required to walk through the health fair first!** Approximately 750 children received supplies at last year's event, so your table is guaranteed to be busy!

Come out to showcase your services to the community! Vendor/participant spaces are **free!** Tables will be set up in the common area of the high school (protected from any rain or heat that might come our way). You may bring educational materials, hand out business flyers, offer a health service, or have an interactive activity preferably related to health or wellness. **We highly recommend and prefer if you have a kid-friendly activity or giveaway at your table to keep children entertained as you speak with parents.** However, this is not a requirement. If you have any additional needs for your booth beyond a table and 2 chairs, please indicate on the attached form so we can contact you for details. (If you are looking for the vendor application for the Back to School Bash portion of the event or wish to donate school supplies, please contact Targie Folds at targie.folds@greene.k12.ga.us for the form.)

Check-in and set-up will begin at **8:15 AM** on Saturday, July 20. Please report to the common area of the school to check in and be directed to your table. You may unload your car near the front of the building (pending construction completion) or on the side of the building by the sidewalk, but we ask that you park in the school parking lot between the high school and the football stadium. Please be able to have your booth set up by 9:00 AM. *Further specific directions and maps will be sent the week of the event.*

Please complete and send the form **BY JULY 12th** to secure a booth!

If you have any questions or are also interested in sponsoring the health fair (different form), feel free to email Laura Ringer at lringer@tendercarega.org or call 706-454-5183.
