The Power of One

To commemorate and bring awareness to Breast Cancer Awareness Month, we partnered with St. Mary's Good Samaritan Hospital and the Greene County Retired Educators Association to hang pink bows throughout downtown Greensboro. Even a little bit of rain could not stop us from reminding the community that breast cancer awareness matters!

Oconee Valley Healthcare also partnered with St. Mary's Good Samaritan Hospital to host the annual Power of ONE No-Cost Mammogram program for uninsured women in the community. In order to receive a no-cost mammogram, the participants must meet a certain set of requirements. This year, the mammograms

occurred from October 11-15. We are so grateful for this partnership and all it does for the ladies in our community!

EMPLOYEE OF QUARTER 4

COMMUNITY OUTREACH

As we have done in past years, we collected canned-foods and recipes for our Thanksgiving Little Free Pantry Food Drive. We were able to collect enough non-perishable items to fill both the Greensboro and Milledgeville pantries!

We also worked on collecting toy donations for the Morgan/Greene and Baldwin County Division of Family and Children Services. Altogether, we were able to donate nearly 200 items between the two offices!

Join us in congratulating Carrie Dawson as our Employee of Quarter 4! Carrie works hard as one of our Physician Assistants at our Lake Oconee Office, Milledgeville Office, and River Edge Behavioral Health.

"I think that Carrie Dawson should be Employee of the Quarter because of how caring and hard working she is. Between working in the lake office, Milledgeville, and River Edge; she is always on the go. Carrie gives her patients 10000% and then some and takes the time to listen and help them in any way that she can. Carrie also goes above and beyond for our patients at the River trying to help them figure out ways to get their medicine and programs they can get into to help them when they can't afford it. Carrie is also an amazing co-worker who listens and helps whenever she can; I have to say that I am beyond blessed and thankful to work along side her every single day as her medical assistant. I get to learn from her and she never fails to answer any questions I could have."

Thank you for all of your hard work and dedication to OVH. Congratulations, Carrie!
