Welcome to Eatonton!

In November, we opened our newest location in Eatonton! This expansion has brought quality healthcare closer to the residents of Eatonton, ensuring easier access to medical services. With a wealth of experience and commitment to patient well-being, Nurse Practitioner, Dr. Steve Sinclair, is set to provide top-notch healthcare services to the community.

Residents of Eatonton are now able to access a range of medical services conveniently located in their own community. Oconee Valley Healthcare remains dedicated to delivering personalized care, and the new Eatonton office is a testament to that commitment.

We encourage everyone to take advantage of this opportunity to access quality healthcare closer to home. Oconee Valley Healthcare is excited to be a part of the

Eatonton community.

Stay tuned for more updates as Oconee Valley Healthcare continues expanding to better serve our communities!

Paint the Town Pink

In October, representatives from Oconee Valley Healthcare, St. Mary's Good Samaritan Hospital, and the Retired Teachers Association gathered in Downtown Greensboro to "paint the town pink" in observance of Breast Cancer Awareness Month. The morning was spent hanging pink ribbons on the doors of downtown businesses.

EMPLOYEE OF QUARTER 4

Join us in congratulating Krystal Ortega as our Employee of Quarter 4! Krystal works hard one of our wonderful Care Plan Coordinators at our Lake Oconee Location.

"She never tells me no when I need anything, and she can help in so many different ways. We are lucky to have her at the LO and WCC for all the incidental jobs she ends up doing besides her 'normal' job!"

"I think Krystal would be a great nominee because I've noticed when we're short staffed at the lake office Krystal is always there to help. Whenever I

have questions or don't know the answer to something I know I can always turn to Krystal to help me out! When we are short staffed Krystal will do MA duties, X-rays, Nurse visits, etc.. and is able to complete all her work. I am thankful to have a coworker like her :)"

Thank you for all of your hard work and dedication to OVH. Congratulations, Krystal!

EMPLOYEE OF THE YEAR

Congratulations to our Employee of Quarter 1, Akeema Griffin, on being chosen by her peers as 2023's Employee of the Year! Akeema joined OVH in August 2021 as a Patient Account Representative at the Greensboro Office. Since starting, Akeema has transferred to the Eatonton Office.

"Akeema is always willing to help her coworkers, and if she doesn't know the answers she goes through the right channels to find out. She never hesitates when she is needed. She always gives me encouragement when I need it on bad days. I know patients can count on Akeema when they need any type of assistance she makes sure they get their questions answered to the best of her ability."
