Pediatric Office Now Open in Eatonton

Oconee Valley Healthcare has opened a new Pediatric Office in Eatonton. We are so excited to have pediatrician, Dr. Christopher Bassett on our team! Our new pediatric office will offer services such as well-child check ups, school and sports physicals, immunizations and vaccines, and in-office testing. We are thrilled to be able to expand our pediatric services for the community!

Our ribbon cutting was held in March, and we were overwhelmed by the support shown by our community for our new office!
